To activate deposit you need:  
3 Slide the slider down to see the list of available deposits

The screenshot shows a web interface for managing deposits. At the top, there are four checked filters: "registered", "reserved", "removed", and "ended", along with an "Apply filters" button. Below this is a table with the following columns: Status, Amount (PGC), Term (month), Weight, Price (PGC), and Begin. The table contains four rows of data, all with a status of "reg" and an amount of 1000. A vertical slider control is positioned to the right of the table, with a green arrow pointing downwards and the number "3" next to it, indicating the current position of the slider. Below the table, there is a horizontal scrollbar and the text "Available deposits". At the bottom right, there is a "Back to accounts" button. The text "tion: establish" is partially visible at the bottom left.

The screenshot shows a software interface for selecting a deposit type. It features a table with five columns: Amount (PGC), Term (month), Weight, Price (PGC), and Quantity. The table contains ten rows of data, with the last seven rows highlighted in yellow. A green arrow labeled '4' points to the 'Price (PGC)' column of the fourth row (Amount: 1000, Term: 1, Weight: 10). Below the table is a button labeled 'Activate deposit', with a green arrow labeled '5' pointing to it. At the bottom left, the text 'Connection: establish' is visible, and at the bottom right, there is a 'Back to accounts' button.

Amount (PGC)	Term (month)	Weight	Price (PGC)	Quantity
